

# INTERNATIONAL CALL M-ERA.NET 2025

## Asturias Funding Programme

**AYUDAS A PROYECTOS DE I+D EN COOPERACIÓN INTERNACIONAL EN EL MARCO  
DE LAS ERANET**

#MaterialesAvanzadosySostenibles #S3

4 de abril de 2025

Ana E. Fernández Monzón. Asesora Técnica. Agencia SEKUENS

## M-ERA.NET VS S3 ASTURIAS

- **Agroalimentación:**
  1. Materiales para envases.
  2. Materiales de origen forestal.
- **Envejecimiento Activo y Saludable**
  3. Materiales para la salud.
  4. Biotintas y bioimpresión 3D.
- **Energía y Circularidad**
  5. Materiales para el almacenamiento energético.
  6. Materiales vinculados a la cadena de valor del H<sub>2</sub>.
  7. Materiales para la construcción y el transporte.
  8. Materiales para la mejora de la eficiencia energética.
  9. Materiales sostenibles.
- **Industria Inteligente y Resiliente**
  10. Materiales avanzados para grandes estructuras y componentes metalmecánicos.
  11. Nanomateriales y materiales 2D.
  12. Respuesta de los materiales a la demanda en servicio de los productos industriales.
  13. Materiales para la fabricación aditiva.

**Ámbitos:**

- **Agroalimentación**
- **Envejecimiento Activo y Saludable**
- **Patrimonio Y Biodiversidad**
- **Energía y Circularidad**
- **Industria Inteligente y Resiliente**

13 Áreas de investigación e innovación de la S3 sobre

**MATERIALES AVANZADOS**

## PROGRAMA DE AYUDAS A PROYECTOS DE I+D EN COOPERACIÓN INTERNACIONAL EN EL MARCO DE LAS ERANET

**(DIRECTAS - SE ACEPTA LA EVALUACIÓN INTERNACIONAL)**

Subvenciona la contribución de las empresas asturianas que apliquen a las convocatorias internacionales de **Eranet** en las que SEKUENS ha comprometido su participación en representación del Principado de Asturias

## BENEFICIARIOS

- Empresas con, al menos, 1 empleado:
  - » De cualquier tamaño: **pequeña, mediana o grande**
  - » **Preferiblemente** industriales o de servicios de apoyo industrial
- Establecimiento de producción en Asturias
- Empresas **no en crisis** y no inhabilitadas
- Acreditar la participación en el **consorcio internacional** solicitante a la call internacional

Country: ASTURIAS-SPAIN

Name of Funding Agency: AGENCIA DE CIENCIA, COMPETITIVIDAD EMPRESARIAL E INNOVACION DEL PRINCIPADO DE ASTURIAS - Agencia SEKUENS

Geographical coverage (national/regional): Regional

Name of the programme/initiative: Call for participation in international collaborative R&D projects

Programme version: 1

Programme area: SEKUENS

Program manager (country/region): SEKUENS

Contact person (name, email): Mr. Ana F. Fernández Marañón, amf@astrens.es

Funding Commission: 200 0000

Additional number of available research centres: 2-30

Maximum funding per grant or unit to a project: 100 0000

Type of research project (R&D stage): 2-00

	Industrial Research	Equipment Development
Small Size	100%	100%
Medium Size	100%	100%
Large Company	100%	100%

Funding cover (approx.):

Major eligibility criteria (e.g. type of companies, thematic restrictions, countries not open):

Eligibility criteria:

(a) - Personnel costs (personnel research and technicians). Only non-personnel costs are covered in Europe (2-01). Non-EU country contributions are not eligible.

(b) - Cost of material research, technical knowledge and patent holder or licensed or market prices, and cost of commercial and exploitation services and materials for the research activity. Subsidies are up to 50% of the total.

(c) - Cost of materials, supplies and other products directly linked to the research activity.

(d) - International travel costs incurred directly through the research project.

(e) - Cost of the project results.

(f) - 10% of the research cost in Asturias.

Maximum budget per regional applicant and project: 100 0000 (maximum budget 1 200 0000).

Project category and thematic content:

The contribution of the regional partners to the international project must fall within the category of National Research and Technological Development as described in the Commission Regulation (EU) No 651/2014 of 17 June 2014.

The activities to be carried out by the regional partners must be in line with the R&D strategy.

Other eligibility criteria:

The project will not cover the submission of the application at regional level.

Only activities to be carried out by applicants based in Asturias will be eligible.

Submission of the proposal or administrative level (national, regional, international, etc.): National application after final international decision. One-step procedure.

Submission of financial and scientific reports or the international call: General rules: In regional level, only one final report is required at the end of the project. No pre-financing, except in exceptional cases.

Further guidelines: The grant could affect to eligible eligible budget submitted by an applicant to other R&D calls launched by SEKUENS in the same year. It is recommended that applicant contact SEKUENS to work on the decision to participate has been made.

## ACTUACIONES SUBVENCIONABLES

Country: ASTURIAS-SPAIN

Area of Funding: AGENCIA DE CIENCIA, COMPETITIVIDAD EMPRESARIAL E INNOVACION DEL PRINCIPADO DE ASTURIAS - Agencia SEKUENS (Autonomous Agency for Science, Business Competitiveness and Innovation - SEKUENS Agency)

Geographical coverage (national/regional): Regional

Type of the programme/initiative: Grants for participation in international collaborative R&D projects

Programme status: 0

Programme manager (country/region/programme): SEKUENS

Contact person(s) (name, tel): Mr. Ana I. Troncheiro Muroff, anai@sekuens.es

Funding Commission: 200.00000

Estimated number of funded research initiatives: 3.00

Maximum funding per grant awarded to a partner: 100.00000

Type of research eligible for funding (within TRL range): 3.00

	Industrial Research	Equipment Development
Small Scale	100000	100000
Medium Scale	100000	100000
Large Collaborative	100000	100000

Funding rows (regions):

Major eligibility criteria (as a type of organisations, thematic priorities, user types and topics):

Types of organisations: Only contributors of any kind are eligible. R&D Centre B. Transnational activities are not admissible.

Eligible users: (a) - Personnel (contractual researchers and technicians) who are permanent under contracts in Group 1, 2 or 3. Social Security contributors are not eligible. (b) - Cost of contractual research: technical knowledge and patents brought or licensed in research projects, and cost of consultancy and experimental services, and exclusively for the research activity. Subcontracting cover up to 50% of the total. (c) - Cost of materials, supplies and similar products directly linked to the research activity. (d) - International travel costs incurred directly by the research project. (e) - Cost of the project itself. (f) - 10% of the investment cost as a Partner.

Minimum budget per regional applicant and project: 100.00000 (equivalent budget 1.00.000000)

Project category and thematic content: The activities of the applicant partners in the international project must fall within the category of Industrial Research or Equipment Development as described in the Commission Regulation (EU) No 651/2014 of 17 June 2014. The activities to be carried out by the regional partners must fit in line with the R3 strategy.

Other eligibility criteria: The project must not follow the submission of the application at regional level. Only activities to be carried out by applicants based in Asturias will be eligible.

Submission of the proposal or initiative (national/regional/international, open/closed, deadline, etc.): Regional application after final international decision. One-step procedure.

Submission of financial and economic reports by the national/regional level: General rule: At regional level, only one final report is required at the end of the project. In any financial, except in exceptional cases.

Further information: The project must be offered to eligible applicants before an application to other R&D calls launched by SEKUENS in the same year. It is recommended that applicants contact SEKUENS or meet in the decision to participate has been made.

- Proyecto de I+D en sí mismo.
- TRL 3-8 (prueba de concepto y demostración del sistema)
- Presupuesto mínimo subvencionable: **100.000€** (esperado entre 100.000 y 150.000€)
- Periodo de ejecución hasta 36 meses (recomendado 24 meses)

## COSTES SUBVENCIONABLES

Country: ASTURIAS-SPAIN

Name of Funding Agency: AGENCIA DE CIENCIA, COMPETITIVIDAD EMPRESARIAL E INNOVACION DEL PRINCIPADO DE ASTURIAS - Agencia SEKUNENS

Geographical coverage (national/regional): Regional

Name of the programme/initiative: Chance for participation in international collaborative R&D projects

Programme version: 0

Programme area: SEKUNENS

Program manager (including funding organisation): SEKUNENS

Contact person(s) (in full): Mr. Ana F. Fernández Morán

Funding Commission: ana@asturias.es

Additional number of funded research centres: 2.50

Maximum funding per grant or unit to a project: 150.000€

Type of research project (e.g. R&D, innovation, etc.): 2.00

	Industrial Research	Equipment Development
Small Size	100%	100%
Medium Size	100%	100%
Large Company	100%	100%

Funding year (approx.):

Major eligibility criteria (e.g. type of organisations, thematic restrictions, countries and topics):

Regional application after final international decision. One-step procedure.

Submission of financial and scientific reports at the national/regional level:

General rule: In regional level, only one final report is required at the end of the project. No pre-financing, except in exceptional cases.

Further guidelines:

The grant could affect to eligible eligible budget submitted by an applicant under R&D calls launched by SEKUNENS in the same year.

It is recommended that applicants contact SEKUNENS to work on the decision to participate has been made.

- **PERSONAL PROPIO** [perfil científico-técnico/Salario bruto] (solo grupos de cotización 1, 2 ó 3)
- **GASTOS INDIRECTOS** [/15% del coste de personal] (bajo la opción de costes simplificados, a cambio de la SS a cargo de la empresa)
- **COLABORACIONES EXTERNAS** [hasta el 50% del presupuesto total] (preferentemente agentes del Sist. Regional de Innovación)
- **AMORTIZACIÓN DE EQUIPOS** /No
- **MATERIALES** [consumibles y fungible]
- **VIAJES** [sólo internacionales] (transporte y alojamiento facturados por terceros relacionados con el proyecto)
- **AUDITORÍA DE CERTIFICACIÓN** [hasta 2.000 €]

# LÍMITES AL GASTO DE PERSONAL

## Topes máximos subvencionables por categorías profesionales

Country: ASTURIAS-SPAIN

Name of funding agency: AGENCIA DE CIENCIA, COMPETITIVIDAD EMPRESARIAL E INNOVACION DEL PRINCIPADO DE ASTURIAS - AGENCIA SEKUENS (Asturian Agency for Science, Business Competitiveness and Innovation - SEKUENS Agency)

Geographical coverage (national/regional): Regional

Name of the programme/initiative: Grants for participation in international collaborative R&D projects

Programme details: SEKUENS

Programme manager (name/address/phone/website): SEKUENS

Contact person(s) (name, email, tel): Mr. Ana F. Fernández Masueti, anaf@sekuens.es

Funding Commission: 2016/0001

Justified number of funded research partners: 3-5

Maximum funding per project/partner: 100,000.00

Type of research activity for funding eligible TRL stage: 1-3

	Scientific Research	Development
Small size	100%	100%
Medium size	100%	100%
Large/Complex	100%	100%

Major eligibility criteria: 1. Type of organization: Only companies (of any size) are eligible. R&D centres & Centres for research and development are not eligible.

Eligible users: 1. 1st = Personnel with experimental research and technical skills. Only users personnel under contract in Groups 1, 2 or 3. Social Security contribution are not eligible. 2. 2nd = Staff of contractual research, technical knowledge and proven results or based on market prices, and cost of consultancy and operation services and equipment for the research activity. Subcontracting cost up to 10% of the budget. 3. 3rd = Cost of materials, register and other products directly related to the research activity. 4. 4th = Material and other costs incurred directly by the research project. 5. 5th = Cost of the project under R&D. 6. 6th = 10% of the personnel cost as a bonus.

Maximum budget per regional applicant and project: 100,000 (national budget 110,000.00)

Project category and financial context: The contribution of the regional partner to the international project must fall within the category of Industrial Research or Experimental Development as described in the Commission Regulation (EU) No 651/2014 of 17 June 2014. The activities to be carried out by the regional partners must be in line with the R&D strategy.

Other eligibility criteria: The project will not cost before the submission of the application at regional level. Only activities to be carried out by applicants based in Asturias will be eligible.

Submission of the application to the regional authority: Required application after final international decision. Check next procedure: 1. 1. 2. 3. 4. 5. 6. 7. 8. 9. 10. 11. 12. 13. 14. 15. 16. 17. 18. 19. 20. 21. 22. 23. 24. 25. 26. 27. 28. 29. 30. 31. 32. 33. 34. 35. 36. 37. 38. 39. 40. 41. 42. 43. 44. 45. 46. 47. 48. 49. 50. 51. 52. 53. 54. 55. 56. 57. 58. 59. 60. 61. 62. 63. 64. 65. 66. 67. 68. 69. 70. 71. 72. 73. 74. 75. 76. 77. 78. 79. 80. 81. 82. 83. 84. 85. 86. 87. 88. 89. 90. 91. 92. 93. 94. 95. 96. 97. 98. 99. 100.

Submission of financial and scientific reports to the national/regional authority: General report. At regional level, only one final report is required at the end of the project. At the national level, except in exceptional cases.

Further guidelines: The grant used either to offset the monthly budget submitted for an applicant to other R&D calls launched by SEKUENS in the same year. It is recommended that applicants consult SEKUENS or seek the decision to participate has been made.

Grupo de cotización	Categoría profesional	Coste/hora máximo
Grupo cotización 1	Director Técnico Proyecto	59,57 €/h
	Técnico Titulado Superior Sénior	49,16 €/h
	Técnico Titulado Superior Junior	38,76 €/h
Grupo cotización 2	Técnico Titulado Medio	33,56 €/h
Grupo cotización 3	Técnico Superior	20,27 €/h

\* Los costes/hora máximos subvencionables para socios con relación laboral con el beneficiario que coticen bajo el régimen de autónomos, se establecerán según la categoría profesional que le correspondería en el Régimen General.

Country: ASTURIAS-SPAIN

Name of Funding Agency: AGENCIA DE CIENCIA, COMPETITIVIDAD EMPRESARIAL E INNOVACION DEL PRINCIPADO DE ASTURIAS - Agencia SEKUENS (Asturian Agency for Science, Business Competitiveness and Innovation - SEKUENS Agency)

Geographical coverage (national/regional): Regional

Types of call (programme/initiative): Grants for participation in international collaborative R&D projects

Programme website: 0

Programme email: SEKUENS@

Program manager (contacting funding organisation): SEKUENS@

Contact person(s) (in full name): Mr. Ana E. Fernández Marañón (sekuens@)

Funding Commission: 200.000€

Anticipated number of funded research projects: 2-30

Maximum funding per grant awarded to a business: 150.000€

Type of research (single or funding eligible T&E range): 3-60

	Industrial Research*	Experimental Development*
Small size	80%	60%
Medium size	75%	50%
Large Companies	65%	40%

Major eligibility criteria: All types of legal entities, including non-profits, start-ups and SMEs.

Types of organisations: Only companies can apply in all fields. R&D Centres & Universities are welcome in information.

Eligible users:
 

- 01 - Personnel cover (operational researchers and technicians): Only non-personnel cover contracts in Group 1, 2 or 3. Social Security contributions are not eligible.
- 02 - Cost of external research: technical knowledge and patent fee/royalty or based on market prices, and costs of consultancy and equivalent services and equipment for the research activity. Subcontracting cost up to 50% of the total.
- 03 - Costs of materials, supplies and similar products directly linked to the research activity.
- 04 - International travel costs (airfare, accommodation, etc.) for the research project.
- 05 - 40% of the project budget.
- 06 - 15% of the personnel cost as a bonus.

Minimum budget per regional applicant and project: 200.000€ (projected budget 120.000€)

The activities to be carried out by the research partners must be in line with the RII strategy.

Other eligibility criteria: The project must start before the submission of the application at regional level. Only activities to be carried out by applicants based in Asturias will be eligible.

Submission of the proposal or national/regional level (contracts, non-IT forms, deadlines, etc.): Required application other than international decision. Check specific procedures.

Submission of research and scientific reports to the national/regional level: General rule: At regional level, only one final report is required at the end of the project. For non-financial, except in exceptional cases.

Further guidance: The grant could be used to offset the eligible budget submitted by an applicant to other R&D funds funded by SEKUENS in the same year. It is recommended that applicants contact SEKUENS or visit its website to participate for more details.

## TIPO Y CUANTÍA MÁXIMA DE LA AYUDA

- SUBVENCIÓN A FONDO PERDIDO
- MÁXIMA 150.000€/POR PROYECTO Y BENEFICIARIO (esperada en torno a 100.000€ por participante)
- INTENSIDAD MÁXIMA para las empresas asturianas:

Tamaño empresa	Investigación Industrial	Desarrollo Experimental
Pequeña	<u>80%</u>	<u>60%</u>
Mediana	<u>75%</u>	<u>50%</u>
Grande	<u>65%</u>	<u>40%</u>

## TOPICS SUBVENCIONABLES

### TODOS los de la CALL INTERNACIONAL 2025

- Sustainable materials for energy applications
- Innovative surfaces, coatings and interfaces
- Advanced composites and lightweight materials
- Functional materials
- Materials addressing environmental challenges
- Next generation materials for electronics

Country: ASTURIAS-SPAIN

Name of Funding Agency: AGENCIA DE CIENCIA, COMPETITIVIDAD EMPRESARIAL E INNOVACION DEL PRINCIPADO DE ASTURIAS - Agencia SEKUENS (Asturias Agency for Science, Business Competitiveness and Innovation - SEKUENS Agency)

Geographical coverage (national/regional): Regional

Name of the programme or initiative: Open to participants in international collaborative R&D projects

Programme acronym: SEKUENS

Program manager (including funding organisation): SEKUENS

Contact person(s) (name, title, email, tel): Mr. Ana E. Troncoso (Manager) anae@sekuens.es

Funding Commission: 2024/0000

Anticipated number of funded research projects: 2-50

Maximum funding per grant awarded to a partner: 150,000€

Type of research eligible for funding (within TEEL range): 3-50

	Industrial Research	Experimental Development
Small size	40%	60%
Medium size	50%	50%
Large Companies	60%	40%

Major eligible activities (and type of organisations, thematic priorities, countries and etc):

Types of organisation: Only combination of any of the following: R & T Centre & University/centre of research/innovation

Eligible users: (a) = Personnel from companies, researchers and technicians. They can be personnel under contract in Group 1, 2 or 3. Social Security contribution are acceptable. (b) = Cost of contractual research, technical knowledge and patents bought or bought in development, and cost of consultancy and acquisition services and materials for the research activity. Subcontracting costs up to 50% of the budget. (c) = Costs of materials, supplies and similar products directly linked to the research activity. (d) = International travel costs incurred directly by the research project. (e) = Cost of the project until July 31st. (f) = 10% of the personnel cost as a flat rate.

Minimum budget per regional applicant and project: 150,000€ (complete budget 120,000€)

Project category and thematic content: The activities of the research projects in the international program must fall within the category of Industrial Research or Experimental Development as described in the Commission Regulation (EU) No 651/2014 of 7 June 2014. The activities to be carried out by the regional partners must be in line with the EU strategy.

Other eligibility criteria: The project will not be eligible for applications based in: a) partner is EU. (b) activities to be carried out by applicants based in: a) partner is EU.

Submission of the proposal or international request (and deadline, copy off form, deadline, etc.): Required application after final international decision. Check my procedure.

Submission of financial and scientific reports of the participating partners: Generalised. At national level, only one final report is required at the end of the project. No pre-financial, except in exceptional cases.

Further guidance: The grant could affect to eligible the eligible budget submitted by an applicant to other R&D calls launched by SEKUENS in the same year. It is recommended that applicants contact SEKUENS in case of the decision to participate has been made.
